

PAHS GIFTED RESOURCE

Hi! My name is Mrs. Raines and I am the Gifted Resource teacher at PA. If you have ever been identified gifted by VBCPS, then you are one of the 452 gifted students in the PAHS Gifted Program. I hope you will stop by the Gifted Room (200) on the lower 200 Hall and see what the Gifted Program can do for you. Some of the upcoming events for Semester 1 include:

Auditions for **Summer Residential Governor's School (SRGS) for Visual and Performing Arts** will be scheduled in mid-October. Applications will be made available online at <http://www.pen.k12.va.us/>.

Summer Residential Governor's School (SRGS) Academic Applications will be available for students interested in studying Agriculture, Humanities, Life Sciences and Medicine, and Math, Science, and Technology. To learn more visit <http://www.pen.k12.va.us/>.

The **SAT Online Course** is a great way to prepare for the PSAT/SAT. Stop by Room 200 and see Mrs. Raines to check out a copy of the *Official SAT Study Guide* and receive your personal access code.

I hope you will make it a point to stop in Room 200 and say hello. I want to help make your years in Cavalier Country as rewarding as they can be. Welcome back. Let's have another great school year.
