OTHER EVENTS

ATTENTION STUDENTS

Sign up for the World's Largest College Fair. This college fair is for the Internet Generation --

CollegeWeekLive - **The Virtual College Fair - November 4-7, 2009**

Students can attend a free college fair and speak to school admissions officers without traveling at CollegeWeekLive. CollegeWeekLive is a virtual college fair that is broadcast over the Internet.

During the event attendees will have the opportunity to interact with admissions officers and students from top colleges and hear from leading admissions experts, all from the comfort of their own computer. Best of all, registration for

CollegeWeekLive is free for students, parents and guidance counselors **FREE** at CollegeWeekLive.com

The Virginia Aerospace Science and Technology Scholars (VASTS) is a wonderful program that combines distance and experiential learning opportunities for Virginia students. The distance learning course offered during the school year uses a NASA-developed Space Exploration theme and is facilitated by master teachers.

Students who successfully complete the coursework may be selected to participate in a week long residential Summer Academy at NASA Langley Research Center in Hampton, where they interact daily with scientists and engineers to design a human mission to Mars. The application deadline is

November 6, 2009. Complete program information and application are located on the website:

<http://www.vasts.spacegrant.org/>.
